“

Luar biasa! Sebuah karya kreatifitas anak bangsa yang patut dibanggakan. Yang saya saksikan ini adalah Klinthing Show, pertunjukan yang memadukan musik, video dan laser di atas air. Sebuah atraksi kelas dunia di Taman Hiburan Saloka, Semarang, taman rekreasi terbesar di Jawa Tengah.

A night scene of a theme park water show. In the center, a large, illuminated dragon sculpture rises from the water, breathing fire. The dragon is dark with gold accents. The water is filled with bright orange and yellow flames and smoke. In the background, there are dark silhouettes of trees and structures, some with lights. The sky is dark. The overall atmosphere is dramatic and fiery.

A person with short brown hair, wearing a white short-sleeved shirt and a black wristwatch, is working on a yellow and black animatronic robot. The robot has a black head with visible wiring and a yellow body with black joints. The person is reaching up with their right hand to adjust the robot's right arm, which is raised. Their left hand is near the robot's chest area. The background is a black curtain. The text "PROSES PEMBUATAN ANIMATRONIK" is overlaid in white capital letters.
