Subj. Guitar Recital

TO WHOM IT MAY CONCERN

On Thursday, August 8th, 1991, Andre Indrawan gave a guitar recital at the Netherlands Cultural Centre in Jakarta, the "Erasmushuis", at the invitation of the Netherlands Embassy. The program included works by several composers, o.a. Bach, Visser, Koopka, Giuliani, Leuhaus, Segovia, Roussel, Villa-Lobos, Albeniz and Berkeley. During the concert mr. Indrawan gave some information to the audience on the background of these composers and their music. The recital was very successful and the Erasmushuis will be happy to invite mr. Indrawan for another performance in the near future.
