

Kesenian rakyat mempunyai potensi untuk dikembangkan, diperbarui, menjadi kesenian rakyat yang dinamis sesuai dengan dinamika perkembangan kesenian dalam semangat jamannya. Berbagai wujud inovasi dan kreatifitas ditunjukkan dalam setiap pertunjukannya. Begitupun dengan kelompok Krincing Manis yang menjadi wujud emansipasi wanita dalam hal berkesenian yang ditunjukkan dengan kelompok penari putri yang mampu membawakan karakter *buta* dengan baik. Kelompok ini dapat bertahan di tengah maraknya kelompok Rampak Buta putra dan dapat menerima semua diskriminasi *gender* yang diberikan oleh pelaku Rampak Buta putra.

Gerak yang ditampilkan dalam koreografi tari Rampak Buta oleh Krincing Manis mendapat pengaruh dari gerak pada tari Rampak Buta putra serta ada hubungannya dengan emansipasi wanita dalam peran sertanya pada kehidupan berkesenian. Emansipasi ini diwujudkan dalam setiap proses keseniannya yang menggunakan penari putri serta koreografer putri sehingga sosok wanita sangat ditonjolkan dalam kelompok Krincing Manis

Kelompok Krincing Manis melakukan pembaruan dari segi garap koreografi dengan struktur penyajian yang berbeda dengan tari Rampak Buta putra. Pembaruan yang sangat mendasar adalah keberadaan penari perempuan lebih dari satu orang, sedangkan pembaruan yang lain adalah hasil dari pengembangan-pengembangan garap koreografi dari Rampak Buta putra sehingga memunculkan sesuatu yang baru

dan berbeda dengan Rampak Buta putra. Pembaruan tersebut terdapat pada aspek gerak, aspek waktu, struktur penyajian, tata rias busana, dan musik pengiring. Hasil dari penelitian menunjukkan bahwa koreografer-koreografer wanita mempunyai ruang yang luas dan bebas untuk berekspresi.
