On March 29 and 30 of 2008, 16 performing arts colleges and universities from 13 countries and regions in the Asia-Pacific region gathered in Foxi Building at Shanghai Theatre Academy and held the first APB Theatre College Presidents' Conference, giving birth to a dynamic theatre education platform. In this stint, the presidential conference and theatres. To date, the size of this platform has grown to 24 members. National School of Drama, India, Taipei National University and Professional Training Centre for Practice Workshop City of the Arts, National Centre for Performance Workshops and Professional Training in Performing Arts, LASALLE College of the Arts, Singapore respectively. The theatre festival has become a grand one, held by APB members in turn and on a yearly basis instead of the original once in two years. It has given a golden opportunity to theatre teachers and students for better understanding, mutual benefits and further communication.

The year of 2017 coincides with the tenth anniversary of the alliance. Shanghai Theatre Academy enjoys the honour of once again to be the event host. As usual it consists of presidential conference, students' performance and workshops, etc. The teachers and students of 17 schools from China, Mongolia, Japan, South Korea, Singapore, Thailand, Indonesia, India, Australia, Iran, the Philippines and Hong Kong and Taiwan will show their expertise and techniques and build up their friendship.

Every gathering witnesses the fusion of different theatrical education theories and the sparking of young and fresh minds' inspirations. Wish our mutual efforts can fuel the platforms' continuous development in theoretical education in the Asia-Pacific region.

时至今日，这个平台的成员学校已经成长为24个。期间，上海戏剧学院、印度国立戏剧学院、台北艺术大学、越南表演艺术训练中心、新加坡拉萨尔艺术学院分别举办过校长会议和戏剧节展演，戏剧节也从成立时拟定的两年一度，变成了一年一度，各校轮流主办的重大节日，成为了亚太区域戏剧专业师生相聚相知、互学互助的重要交流场所。

今年恰逢这一届于我们的戏剧学院成立十周年，上海戏剧学院很荣幸又一届毕业生将再一次大显身手，并将通过这些院校师生的舞台在大家共同努力之下不断激励我们。每一次见证了各种不同的戏剧教育理念融合，每一次学子们的学习成果都带来了青春和灵感的迸发，衷心地推动亚太地区戏剧专业教育的蓬勃发展。

The second year Theatre Practice students were assigned scenes from Anton Chekhov's *The Cherry Orchard* and *Seagull* as an acting exercise on writing and performance has had a broad influence on Western culture and literature. They were instructed to adapt their scene to any time period naturalism. The play's original time up until present day. The Chekhovian style of writing and performance has had a broad influence on Western culture and literature. In contemporary Australian television, for example, the popular ABC television show "Please Like Me" exemplifies the value of actors who have a strong sense of naturalism, character, language, comedy, and what can be easily identified as classic Chekhovian life reflection; hoping for a better future in an attempt to leave the past behind; contemplating the reality of one's present situation.

戏剧实践的二年级学生演出了安东·契诃夫《樱桃园》和《海鸥》中的部分场景，作为对自然主义风格的表演训练。经过指导，他们把场景从戏剧的原剧时间调整到现今的任何时间段。写作和表演典型的契诃夫式生活写照：试图抛开过去，拥抱全新未来，思索现实的嘲讽。

space is one in imitation, make believe, illusion and fiction, how does one become real on a bare stage?

The performers are engaging with their audience in this minimal setting trying to be real, authentic and genuine, but the history of the

stage is usually behind the set and behind the back drop or back curtain.

A Bare Stage is a series of explorations of the geography or architecture of the stage, the bare stage. There is no set. The stage needs to

be stripped bare, as if between the last show that has already gone and before the next one comes in, the lighting bars are exposed, we

see what is usually behind the set and behind the back drop or back curtain.

Coming! Coming! Fall From Mountain Heavily Coming!

《来了！来了！从高山上重重的落下来了！》

台北艺术大学

很久很久以前
雷声来了！
很久很久以后
雷声来了！
并且活着，活着……
在清晨中呓语，秀美的鸟就在那裡，只是你听不见。但她的啼声那麼妙，怎麽会听不见呢？
他在船上而你也是，不是船员，是船员，小小的，一人一叶。不是每个人都吃晕船药，所以你会吐而他也是。船头
倒下树林纷纷地，巨木落在汪洋中。可是没有哭喊，因为来不及，抑或说反应不过来。你忘了上帝他忘了援手，就这
样。
肩舟被砸碎了，海面上尽是木头碎片，搭着木板的你，奋力地继续往彼岸游去。而彼岸也一直在你的反方向游去，一
段似乎不会缩短的距离。
「睡吧，睡吧。」树上的矮小老人唱起古老的歌谣。鸟儿吱吱喳喳，但你和他还是听不见，只是继续往前，闭著头往
前，不管会不会抵达的往前。

Years and years ago.
The thunder was coming!
Years and years after.
The thunder is coming!
The something is coming.
Coming! Coming! Fall From Mountain Heavily Coming!
And living, and live...
Babbling the language of the dream, the bird that looks on is there, but you do not hear. His chirping so loud, how could you
have not heard?
Not a steamer, but a canoe; small, each in one's own. Not all has taken seabiscuit pill. You will vomit, so will he. Head spinning,
spinning head—the waves turn round and round. You may be awokened by the disturbances, or you may not. He may not, or
rather, not enough time to respond. You forgot to load the bullet, and he—to pull out the dagger. That is all.
A forest falls dispersedly onto the earth. Giant woods into the ocean soak. There is no cry, nor wall. Because it is too soon, or
may be awakened.

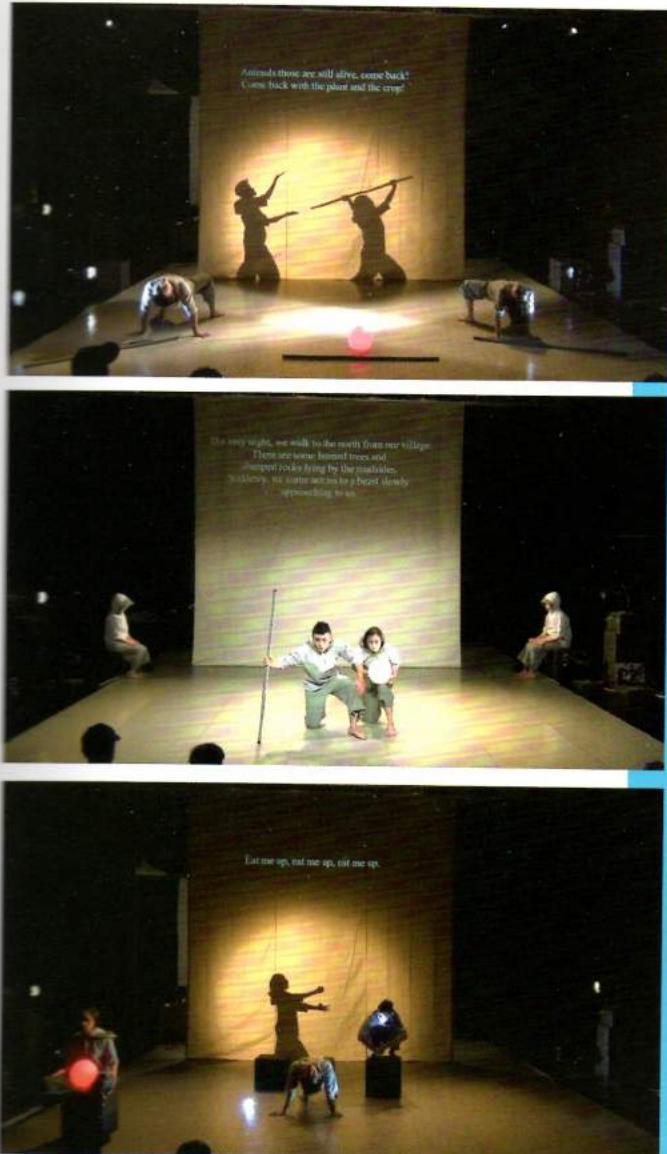

The change is crushed to pieces, the sea surface covered by its parts. You, who are lagging onto a plank, strive continuously
to reward the shore beyond. And, the shore beyond keeps swimming towards the direction opposite from you. The distance seems
to remain identical.

“Sleep, sleep tight.” The short old man on the trees sings out ancient ballads. Birds still twittering, but neither you nor he could
hear. You both just keep moving on, burying one's head, regardless of the possibility of ever reaching an end.

导演的话

我研究帕西风格戏剧已有30年了，我意识到它是印度古典梵文戏剧、民间戏剧和维多利亚戏剧的复杂而又独特的混合体。正是这种风格的复杂属性，在表演、编剧、设计或导演方面提供了多种可能性。帕西风格要求“全能演员”，因此极具挑战性。该风格的独到之处在于激昂的情感、台词和肢体语言。

如往常一样，我也在本剧中尝试该风格。反战戏剧《鲁斯塔姆与苏赫拉布》，与今天仍息息相关。当今世界万象，正在使人们麻木不仁，人际关系失去了目的，伦理价值和人性受到了各种可能的威胁。帕西戏剧极富技巧地暗示了这些威胁，影响观众的潜意识，促使他们认真考虑这些问题。

Director's words

While working on Parsi style of theatre for the last 30 years, I realized that it is an intricate unique mixture of Indian Classical Sanskrit theatre, folk theatre and Victorian theatre. It is this intricate nature of this style which provides multiple possibilities to experiment with it be at the presentation, acting, script, design or direction. It is a challenge to work in this style as it has a 'concept' of 'Total Actor'. Heightened emotions, text and physical language are the uniqueness of the style.

As always I have tried in this production as well. The play *Rustam & Sohrab* which protests against war still holds relevance today. The kind of circumstances that are evolving in today's world, are rendering people insensitive, relationships are losing their purpose, the ethical values and humanity are under threat at every possible level. In the Parsi plays, these threats are hinted and pointed at with deftness, which leave an impact on the subconscious minds of the audience and propels them to ponder upon these issues.

The play will use dance, music, and lots of visual images but in a minimalist setting. Necessary is an intimate relationship with an audience that will not only watch but participate in the performance.

Preferred audience configuration is in-the-round, close to the actors. Musicians will also move into the performance space to act. Dancers will be signature movements and music based on Philippine indigenous expressions.

Director's words

观众席环绕舞台，这样可以使观众与演员近距离接触。音乐人也会到表演区演奏，用菲律宾本土的乐器演奏。

导演的话

Extractions from the classic *Orpheus* in Greek mythology, the play deconstructs the narrative to explore contemporary representations. In the classic tale, Orpheus the music god loses Eurydice his wife to death after being bitten by a viper. Orpheus follows his wife to the world of the dead, charms Hades to return his wife enthralling the god of the Underworld with his music. Hades allows his wife to return to the natural world but with one condition: Orpheus should never look back at the tailing Eurydice. This *Orpheus* fails to do and Eurydice plunges back to Hades.

The first of three parts anchors the classic tale serving as prologue to the trilogy. The next two parts are set in the contemporary where the notions of identity and difference, of awareness and alienation, of determination even in failure are explored and represented.

Synopsis

本剧共三幕，以神话故事开端，作为三部曲的序幕。后两部分则将背景设置在当代，探讨并再现了身份与差异、意识与异化、意志（甚至是失败中的意志）等概念。

本剧选自希腊《俄耳甫斯》。以解构叙事的方式探索其在当代的再现。音乐之神俄耳甫斯的妻子尤莉迪丝被毒蛇咬死，他追随着到了冥界，祈求冥王哈迪斯让她妻子复活。他演奏的美妙乐曲打动了哈迪斯。哈迪斯准许尤莉迪丝返回了冥界，但是有一个条件：俄耳甫斯不能回头看她留在后的妻子。然而俄耳甫斯还是忍不住回过头看了一眼，尤莉迪丝立刻被带回了冥界。
